PURPOSE/BACKGROUND:

City Council approved the Las Vegas Boulevard Scenic Byway Corridor Management Plan on April 7, 2004 which calls for the restoration and installation of historic neon signs on the Las Vegas Boulevard median. To implement this goal, the Planning and Development Department applied for \$420,000 in Centennial Funds to restore two iconic signs from the Neon Museum collection. This MOU finalizes this request, as the Centennial Committee approved the funds at their August 13, 2007 meeting. This project is scheduled to be completed late in 2008.
